

TOQUERVILLE CITY
Resolution 2023.17
Celebrate Arbor Day

- Whereas, In 1872, the Nebraska Board of Agriculture established a special day to be set aside for the planting of trees, and*
- Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and*
- Whereas, Arbor Day is now observed throughout the nation and the world, and*
- Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cutting heating and cooling costs, moderating the temperature, cleaning the air, producing life-giving oxygen, and providing habitat for wildlife, and*
- Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires, and countless other wood products, and*
- Whereas, trees in our City increase property values, enhance the economic vitality of business areas, and beautify our community, and*
- Whereas, trees – wherever they are planted – are a source of joy and spiritual renewal.*

Now, Therefore, I, Justin Sip, Mayor of Toquerville City, declares
Arbor Day
